Circle**

President: Lynn Larsen

Vice-president: Ken Richley

Treasurer: Lon Richardson

Scott Peters

Craig Thaxton

Turner Bitton

In recent decades, the community has gained a new appreciation for the Jordan River corridor providing open space, recreation and conservation, as well as cultural opportunities provided by this incredible natural resource. There is not a resident of our community who has not benefited from the environmental and cultural opportunities provided by this incredible natural resource. The Jordan River Foundation's mission is to provide funding to preserve and enhance the life and enjoyment of this community asset.

We support projects for the establishment and maintenance of this public parkway including the development of recreation, water quality, conservation, restoration, and wildlife habitat.

We believe that our community's future is inextricably tied to the Jordan River. We can only accomplish what we do through the generous support of our community donors. In this time of uncertainty surrounding government funding and increasing competition for the resources that exist – we need your support more than ever.

As a member of our Friends Conservation Circle, you would belong to a group of individuals who are shaping the work that the Jordan River Foundation does in important ways. Your membership provides the resources necessary to ensure that this critical community resource exists for generations to come. Becoming a member of the Friends Conservation Circle means that your commitment to our community will be present year-round, in every community that the river touches.

As you consider joining our Friends Conservation Circle, I want to thank you for your consideration and urge you to reach out to me at any time to discuss how your philanthropic goals can be achieved by partnering with us. Partnering with the Jordan River Foundation is good for our community and shapes the future of Utah.

If you are interested in joining us, please call me at (971) 707-9579 or send me an email at lynnlarsen1948@gmail.com with your name, address and telephone number for us to reach you.

With gratitude,

Jordan River Foundation Board of Directors

Lynn G. Larsen, President

*The mission of the
Jordan River Foundation is
to provide funding to
preserve and enhance life and
enjoyment of this community
asset known as the
Jordan River.*
